The path of life leads through many valleys, crosses over many bridges, and goes through many dark tunnels. It passes by sights that we long to stay and ponder, and slowly winds through gloomy spots that we would quickly be rid of. Surrounding us as we travel it are alternating crowds of laughing people and sullen trees. In front of us, the road is covered with fallen rocks and the debris left behind by those that have already passed. And behind us it seems that everything was downhill until now. Yet for all the road's hardships, we are pressed on by an urgent desire to see what lies before us, and hurry on as quickly as possible, until we are in sight of our final destination. It is only then that we tend to take our time, shuffling our feet and trying to turn in the opposite direction, only to find that no matter which way we walk, we will eventually come to the same place, and that the path we previously ran along is gone.

**Roads of Life Contain
Laughing, Happy Crowds,
Gloomy Sullen Forests**

**Roads Tie Daily
Events Together,
Give Life Meaning**

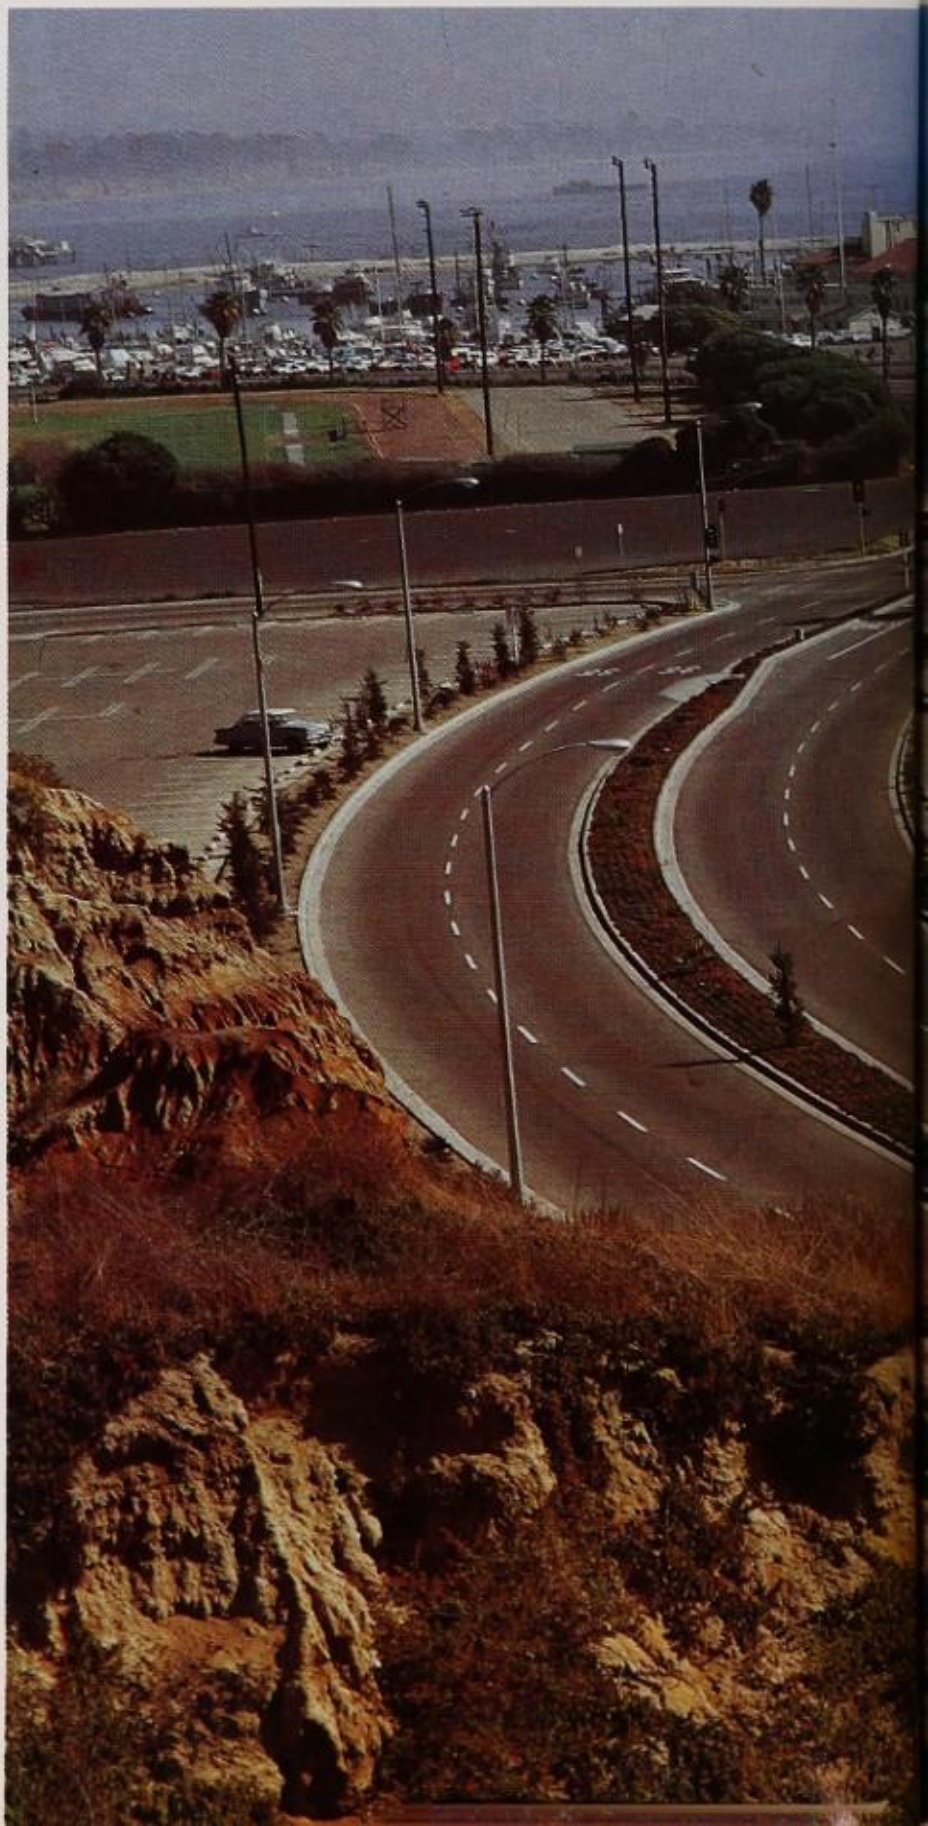

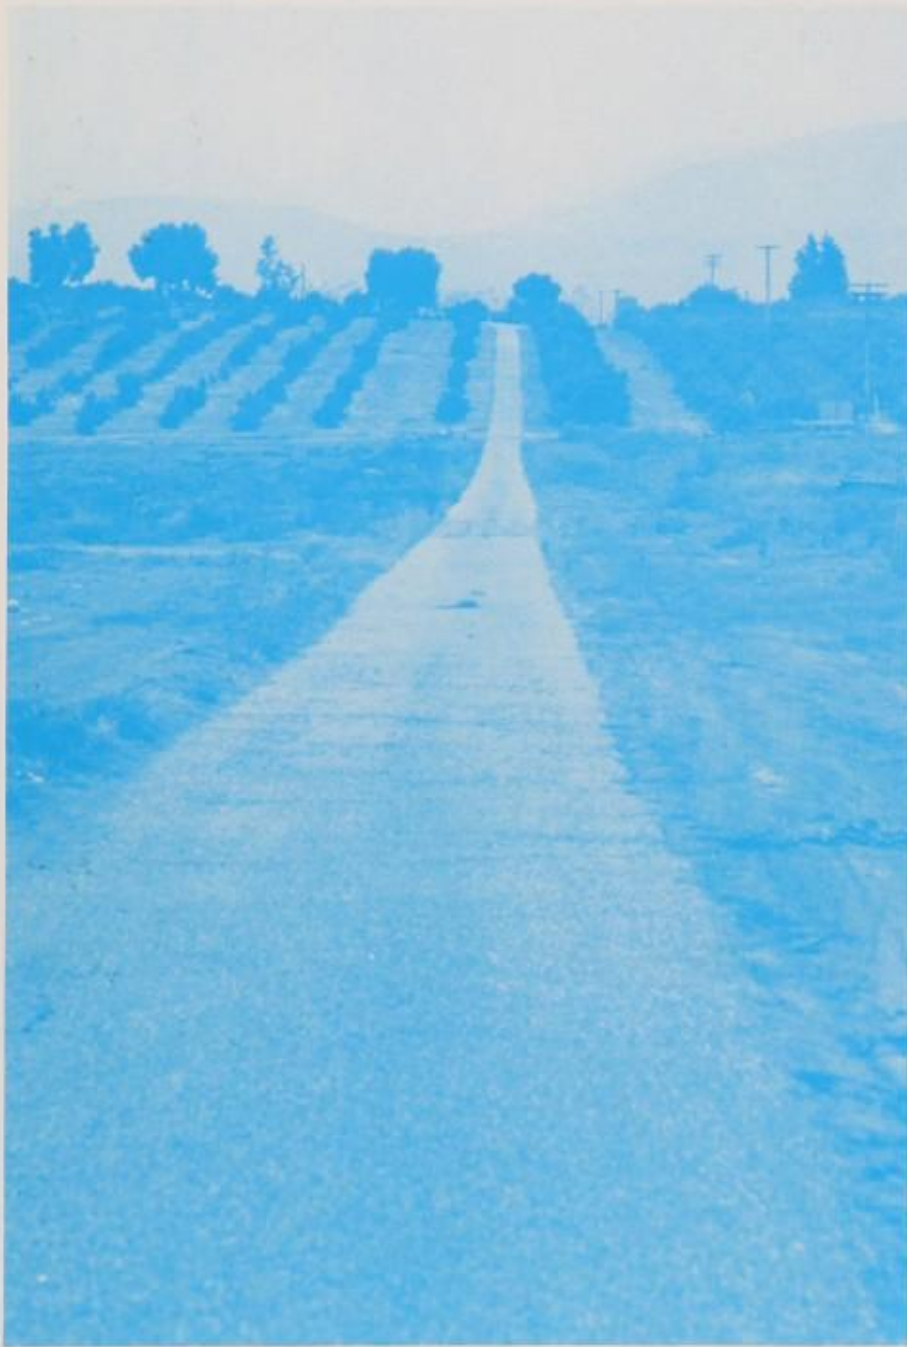

Each individual person is walking a road: it leads through his hopes, his plans, his loves, and his dreams, and ties them all together to give his life a meaning and a purpose. As he travels this path, he sees only what surrounds him, and is not aware of the beauties of other ways than his own until he comes to some scenery that is common to both. At such a place, he can often catch a glimpse of the life of another traveler, and is sometimes greatly effected by this. It may fill him with joy and cause him to turn in a direction similar to that of the other person, or it may fill him with revulsion and cause him to turn as far away as possible. At Santa Barbara High School, over two thousand roads are compressed into a very small space, and many such intersections are inevitable. Because of this, the directions in which we travel are subjected to radical changes, changes that will shape our life in later years and continue guiding us toward our separate destinations long after we have left SBHS.

Forks in Roads Lead to Future

As we walk down the paths of life, we are constantly coming to forks in the road. Because we rarely notice the surrounding roadsigns (or, if we do, they point in both directions), we are forever guessing between the right and the left. Our social or financial security may urge us to take one way, our beliefs the other. We cannot keep taking only the right or the left, as that would either lead us in a circle or starve us alone in the wilderness. We must, therefore, make a new decision each time, and can only hope that the new path will lead us to what we search for.

Mendillo Inspires Spirit in '67 ASB

Although he already represented SBHS in his junior year through his participation in Legislature and varsity sports, Mark Mendillo hoped to extend his interests and services as ASB President. After a hard fought campaign, Mark's main interest in office was to work closely with the entire Student Body.

He initiated a Summer Activities Committee which supplemented the Student Body funds. He was also instrumental in the organization of the Letterman's Club and open student caucus meetings where students could discuss school problems directly with the ASB officers.

In addition, Mark wrote columns which often were published in the Forge.

Mark demonstrated his leadership qualities in phases of school life other than student government. He was a member of the varsity football team as well as the varsity baseball team. Also, his extracurricular interests were shown in his membership in Key Club and the Letterman's Club. Mark reveals his future in his hopes to attend Annapolis and perhaps become a naval officer. Mark considered it to be an honor to be president of Santa Barbara High School.

ASB Legislature

Under the chairmanship of ASB Vice-President Kim Westfall, the student legislature carried out the necessary law making for the student body. The legislature consisted of all ASB officers, each committee chairman, and representatives from English or history classes. Mr. Gene Snyder was the advisor of this organization.

At the first meeting of each semester the representatives were familiarized with the rules of parliamentary procedure. A main task of this year's legislature was that of discussing and passing all bills concerning the use of student body funds. At each meeting reports from various committee chairmen were heard and debated. Another project was the creation of a noon activities committee which sponsored foreign films, dances in the gym, and other events in which students could participate at noon.

Created to update the outmoded ASB Constitution, the constitution Revision Committee worked as a sub-committee of the student legislature. Chairmanned by Janis Brock, the committee added to the constitution policies which were already in effect in student government. The price of student government. The price of student body cards was raised, the number of students allowed in a committee became unlimited, succession to the office of president was altered, and the student court was made larger and given more power.

ASB Student Court Practices and

One of the basic principles of a democratic system is that the guilt or innocence of an accused person should be determined by a body of his peers. The function of Santa Barbara High School's Student Court was to hear the cases and to provide a fair trial for those students who had in some way violated school regulations. Through this democratic system students were not only provided a trial by their equals, but they were educated in court procedures.

Chief Justice Janis Brock presided over

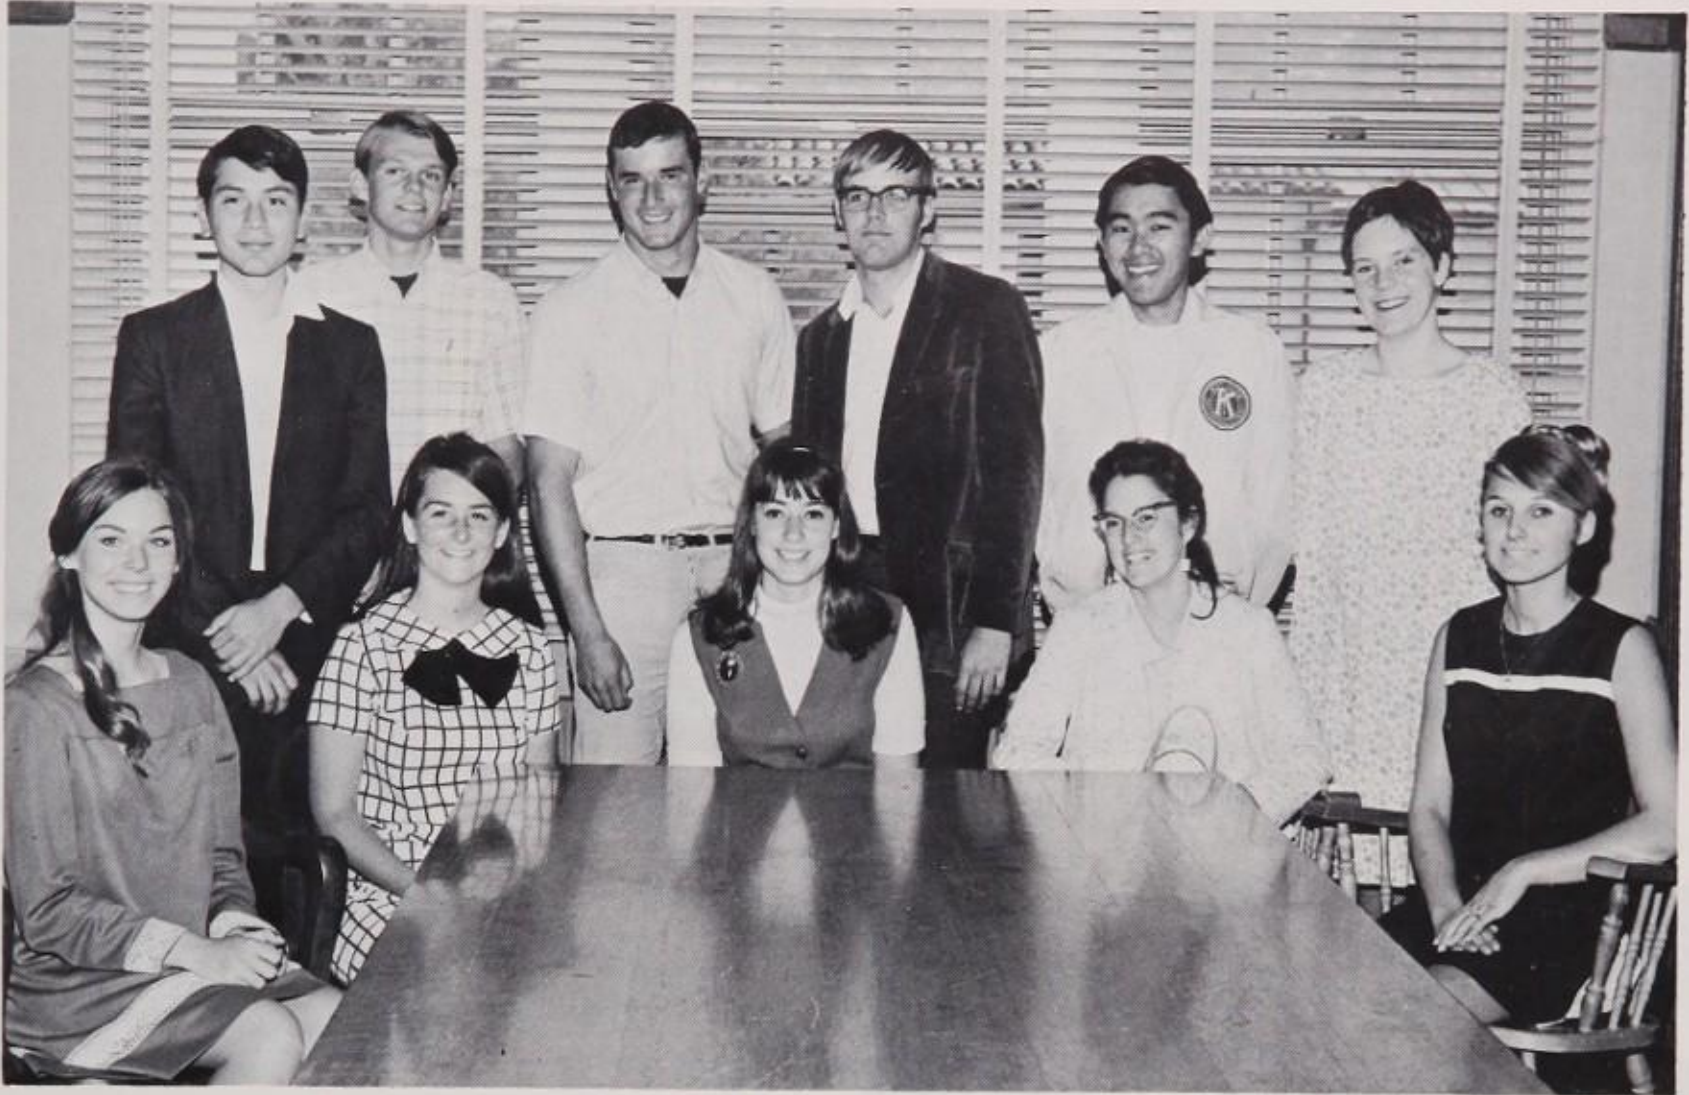

the court and pronounced verdicts and sentences. The associate justices or jury decided the verdict and the Chief Justice voted only in the case of a tie. The office of Attorney General was filled by Tim McMahon. His duty was to speak for the students of SBHS and uphold school laws. The Defense Attorney, whose office was filled by Chris Lem, was at the disposal of all students who desired counsel or defense of their case.

New materials, such as filmstrips of magazines and books aided students in research and enjoyment. The librarians also supervised the textbook room where many students found their wandering books. The

green and shaded grounds surrounding the library offered a pleasant and quiet study place.

Helpful librarians included Mrs. Lois Hedges, Mrs. Betty Duncan, and Mrs. Mary Tenny under the direction of the head librarian, Mrs. Olma Bowman.

Dedicated Teachers Inspire Action

This section has been set aside in a special tribute to the Santa Barbara High School we have known. Due to a new government standard, the building we have spent our high school years in may be reconstructed for safety purposes. The following pictures highlight some of the familiar haunts of S.B.H.S.: the tree-shaded lawns; the echoing halls; the sun-drenched tile roofs and the countless other memory-filled scenes that will linger in our minds.

One of the primary purposes of the Santa Barbara High School PTA was to help parents become better acquainted with the present school system. It provided such things as "Back to School Night," where parents could see the inside of SBHS, meet individual teachers, and learn about the courses that were offered.

Board Decides on SBHS Future

Efficient operation of all Santa Barbara schools was the responsibility of the Board of Education. To do this, the Board established the educational policies which were carried out by Superintendent of Schools Norman B. Scharer, the Board's executive officer.

The Superintendent informed and advised the Board on all educational matters. His primary responsibility was to provide educational, instructional, and administrative leadership.

Win 11 Straight

After receiving a 20 yard pass from Dave Lipke, Art Ximinez (20) steps over the goal line to score six of the Dons' 47 points against Fremont.

Dons Open Season

With 47-13 Romp

In one of their most impressive victories, the SBHS Dons thrashed the Fremont Pathfinders 47-13 during their first battle of the season. The Los Angeles team was rarely in the game as Grady Hurst, Sam Cunningham, Tony Jackson, Dave Lipke, Ron Dudley, and Art Ximinez each scored touchdowns. Kim Westfall kicked five extra points for Santa Barbara. Resting back on a 27-0 lead after 2½ minutes in the second half, the Don reserves came pouring off the bench and onto the field. Fremont avoided Bob "Big Man" Pointer for the most part. Coach Cathcart labeled the 447 pound senior as the "Key-stone of our Defense."

Drubs Oxnard

Spearheaded by Sam Cunningham's power running and Grady Hurst's touchdown passing, the Santa Barbara Dons overpowered the Oxnard Yellowjackets 40-7 while defending their Channel League football title in the conference opener. Cunningham scored three times while Hurst threw two TD passes. Tony Jackson also broke into the scoring with a 21-yard right end sprint. A 37-yard Dave Lipke-Percy Johnson pass combination led the Dons over Oxnard's goal line for Santa Barbara's final tally. The Santa Barbara offensive path-clearing sparkled as Tom Hord, Tod Rosenberger, Jack Turnbull, Dave Almanza, Ron Dudley, and Don Pearson paved the way for the back-field.

Dons Sweep Past Simi, 57-13

Flanker Carl Poindexter makes a leaping catch as a Simi defensive player gives pursuit. The play resulted in one of the eight Don touchdowns.

Led once again by the outstanding play of quarterback Grady Hurst, the explosive Olive and Gold demolished Simi Valley by a 57-13 rout. In one of his highest scoring games, Hurst ran for three touchdowns and threw to Ron Dudley for two more. Others marking touchdowns for SBHS were Tony Jackson, Sam Cunningham and Dave Lipke. Kim Westfall also contributed to Santa Barbara's scoring statistics with six PATs and a 30 yard field goal. Santa Barbara dominated ball control with 448 total yards gained against 212 yards gained by the Pioneers. Two players who contributed greatly to the Don effort but failed to score were tailback Jerry Hughes and flanker Carl Poindexter.

Crashing through the Pioneer line, quarterback Grady Hurst (40) dives over the goal line for one of his three touchdowns.

Eluding a Bulldog pass defender, Larry Owen (33) grasps hold of the pigskin fired from Dave Lipke (not shown).

Dons Blitz Bulldogs, 54-13

Scoring for the Olive and Gold when SBHS blasted the Buena Bulldogs 54-13 to extend their winning streak to 5-0 were Sam Cunningham, Tony Jackson, Grady Hurst, Jerry Herring, Art Ximenez and Jerry Hughes. Santa Barbara scored twice in every quarter while holding the Bulldogs to just two touchdowns. Two long gainers consisted of a 48 yard bomb from Hurst to Don Pearson and a 24 yarder from Lipke to Herring. Tom Richard, Jack Turnbull, Bob Marquez, Tom Hord, Gary Miller, Scott Beam, Bob "Big Man" Pointer and Dave Niremborg each played important roles in the Don victory.

Santa Barbara's "Wall of Stone" is shown in high gear as Tod Rosenberger (62) Bob Marquez (63) and Larry Owen (33) provide an awesome rush on a Buena quarterback.

City Championship

Regained, 27-0

Scoring in every quarter, the Dons rampaged over the San Marcos Royals 27-0 with a well balanced offense and a great all-around performance by Grady Hurst. Hurst fired to Don Pearson with little more than four minutes left in the first period for Santa Barbara's first TD in their second pre-league clash. The play covered 35 yards. This TD was preceded by an 85 yard Don rampage. To give the Olive and Gold a 13-0 half-time lead, Hurst flung an 18 yard pass to Tony Jackson for the second score. Hurst totaled the third period TD statistics when he sped 55 yards around the left and into the end zone. Third-string tailback Jerry Hughes ripped off runs of 28 and 15 yards before a 5 yard plunge over the goal line for the Dons. Kim Westfall supplied three extra points. The final score from La Playa Stadium between the cross town rivals would have mounted into the 40's had the Royals not unleashed two successful goal line stands plus the fact that a penalty nullified a 50 yard scoring ramble by Hurst. Defense stalwarts who prevented their opponents from scoring included David Niremberg, Larry Owen, Dave Duncan, Gary Miller, Scott Beam, and Bob Marquez.

After taking a hand off from Grady Hurst (40), Sam Cunningham (34) blasts his way through the stubborn San Marcos defense before being dropped on the Royal five yard line. This play preceded the Dons' final touchdown in the last quarter from where Jerry Hughes ran the remaining distance to the goal line.

Dons Trounce Lancers, 54-7

A great team effort resulted with a Don victory over Thousand Oaks as nine players scored against the Lancer gridgers to conclude with a final outcome of 54-7. Dons who each contributed six points for the Olive and Gold included Grady Hurst, Ron Dudley, Tony Jackson, Carl Poindexter, Larry Owen, Art Ximenez, Jerry Hughes, Sam Cunningham, and Kim Westfall. In addition to the eight TDs scored, the Dons also had five called back. The "Wall of Stone" again proved its ability to stop their opponents as they threw the Lancers for so many losses that Thousand Oaks ended with a net loss of 17 yards from rushing. Defensive stars included Dave Duncan, John Radford, Bob Marquez, Tom Rickard, Scott Beam and Tod Rosenberger.

Taking a snap from Jack Turnbull (55), Grady Hurst takes the pigskin before flinging a pass for valuable yardage against Thousand Oaks.

Tony Jackson cuts around the right end after faking out a Thousand Oaks defender. Mark Mendillo (22) helps out with a block.

Teaming up with Tod Rosenberger (62), the world's largest active football player at 447 lbs. Bob "Big Man" Pointer (75) and another Don, halt a Hueneme back. Tom Rickard (35) races up from the left while Larry Owen (33) comes up from the right.

Vikings Fall to Santa Barbara

After faking to Tony Jackson (23), Grady Hurst (40) later hands off to Carl Poidexter (42). Tough offensive linemen holding back the Viking defense are Percy Johnson (80), Dave Nirenberg (78), and Dave Almanza (74).

Avoding a loss of yardage, Dave Lipke cocks his arm for a quick pass before pursuing Vikings tackle him.

Recovering from a minus yards kick-off return the Santa Barbara Varsity football squad drove 99 yards in five plays and 1½ minutes in the first quarter to score the opening touchdown against the Hueneme Vikings. On their way to a 61-12 romp the Dons scored when Grady Hurst rattled off his longest gain of the season in league competition when he sped for an 87 yard left end tally. Hurst also ran six yards for another touchdown in the third period. Jerry Hughes scored on a five yard run over the right tackle, a six yard run over the right guard and a 17 yard sprint up the middle. Tony Jackson crossed into the end-zone with a 74 yard kick-return and a 73 yard pass interception return. Charlie Myers also contributed to Santa Barbara's scoring rampage with a 44 yard pass interception return.

In what will go down as one of the best remembered plays of SBHS football history, Bob "Big Man" Pointer grips the football firmly in his left hand as he is brought to earth by two Camarillo tacklers after intercepting a pass and chugging it back to the 21 yard line.

Camarillo Blanked by SBHS, 48-0

Displaying some of the fierce action which took place during the Camarillo clash, Sam Cunningham (34), Tom Rickard (35) and Dave Vireberg (78) overwhelm a Scorpion halfback.

"Big Man" (Bob Pointer) had one of his greatest moments when the Dons smashed the Camarillo Scorpions by a 48-0 triumph. In front of a wildy cheering homecoming crowd, the 447 lb. senior, whose reputation as the heaviest player in football has attracted international attention, intercepted a Camarillo pass and returned it for eight yards to set up the second of seven touchdowns for Santa Barbara. Grady Hurst ran 71 yards for the first touchdown while Percy Johnson caught a 16 yard Hurst aerial for another. Jerry Hughes also gained six points for the Dons on a nine yard sprint. Larry Owen and Ron Dudley each tallied twice. Kim Westfall kicked four conversions while Steve Blades booted two others. Santa Barbara's 48 points gave the 1967 Don gridsters an unqualified school scoring record for one season. The Olive and Gold surpassed the 1948 record by mounting their total to 388 at this time.

Dons Crush Cougars for League Crown

Emerging once again as Channel League champions, the SBHS Dons concluded their successful and unblemished regular season by a 41-0 victory over the Ventura Cougars. Grady Hurst once more proved his unlimited abilities as he ran and passed for more than 300 yards while scoring one touchdown and figuring in two others. Sam Cunningham scored two of the first three touchdowns with runs of two and one yards. Ron Dudley and Carl Poindexter also broke into the scoring by passes from Hurst covering 30 and 44 yards respectively. With just 20 seconds remaining in the game, the Olive and Gold tallied once more to score over 40 points on every league opponent when Jerry Hughes plunged eight yards over the goal line. Fine defensive efforts were portrayed by Percy Johnson, Tom Rickard, "Big Man" and Dave Nirenberg.

With expressions of determination, Don stalwarts Larry Owen (33), Sam Cunningham (34), Tom Rickard (35) and a few others swarm over a Ventura player.

Laying a block for Percy Johnson (80) during the Cougar contest, Mark Mendillo (22) paves the way for a sizable gain around right end. Other Dons speeding in to assist are Jerry Herring (32), Al Reginato (76) and Cyril Gavin (73).

Driving hard against the St. Paul secondary, Sam Cunningham (34) powers downfield while Carl Poindexter (42), and Percy Johnson (80) provide assistance. The Golden Tornado beat the Swordsmen by a 19-14 score in the last 45 seconds.

Tornado Downed in Semi-finals

After raking up nine straight victories, the Golden Tornado rolled into the AAAA CIF playoffs and defeated North Torrance and St. Paul before being eliminated in the semi-finals by a powerful Anaheim team.

In opening first round competition, the Golden Tornado unleashed its fury in torrents of speed as the Dons stomped the North Torrance Saxons, 48-7. The clash was highlighted by Tony Jackson's 82 yard punt return into the endzone during the third period. Sam Cunningham tallied three TDs on runs of three, four, and five yards. Ron Dudley scored twice on aeriels from Grady Hurst covering 13 and 48 yards. Carl Poindexter also broke into the scoring with a 19 yard flanker reverse in the first quarter.

In one of the greatest comebacks in SBHS history Hurst fired to Jerry Hughes with 45 seconds remaining in the St. Paul game, for a 47 yard scoring play that boosted the Tornado from behind into the lead and victory by a 19-14 margin against the Swordsmen. Leading almost from the start, Santa Barbara almost succumbed to a late burst by St. Paul, which scored both of its touchdowns in the final quarter to mount a 14-13 lead with 2:07 remaining.

The Dons dominated first half action while scoring two touchdowns when Cunningham ran four and one yards for two TDs. Cunningham, who had major runs of 13, nine, and eight yards, was one of the games leading ground gainers.

Concluding one of its most highly publicized and successful seasons, the Golden Tornado was ousted from the CIF AAAA playoffs at the Los Angeles Memorial Coliseum when the Anaheim Colinists routed the Dons, 42-7. A throng of 18,227 fans witnessed Anaheim score in the second play of the contest on a 65 yard pass from sophomore quarterback George Fraser to end Don Simpson. Fraser threw for two more TDs and set up two others. Santa Barbara never recovered despite many attempts throughout the game. The Golden Tornado's only tally occurred in the second period when Hurst swept left end for ten yards and a score. Kim Westfall then kicked his 53rd extra point of the year. The 1967 Golden Tornado bowed out of the playoffs while just 16 points short of breaking the CIF scoring record with a season total of 518 points.

A host of Don tacklers pile on a North Torrance halfback to crush his attempt for a large gain. Members of the Golden Tornado contributing to the Saxon's downfall are Tom Rickard (35), Scott Beam (72), Tod Rosenberger (62) and Bob Pointer.

Handing off to Sam Cunningham (34), Grady Hurst (40) starts a belly series play against St. Paul. Tony Jackson (23) prepares to take out a defensive end (not pictured).

Attempting to break through the tough Anaheim defensive line, Tod Rosenberger (62) meets stiff opposition. Such competitiveness by the Colonists resulted in the Golden Tornado's only defeat, 42-7.

Junior Varsity Concludes Short Season with Unblemished 4-0 Mark

With out-stretched arms, George Tabata makes an over-the-shoulder catch during the Buena battle, which the Don JV's were victorious in as they edged the Bulldogs 13-12.

Something new added to Santa Barbara High's athletic program, the Don Junior Varsity football squad, composed of third string varsity members and spectacular sophomores, compiled a 4-0 season record. Gaining valuable experience was the JV's main goal of the year. The season was sparked by a 46-0 triumph over San Marcos. Spearheading the Junior Varsity's attack were Art Ximinez, Don Austin, Mark Kashmar, Charlie Myers, Al Reginato, Cyril Gavin, Jeff Kinsell, Lionell Lamb, Gary Lionello, John Radford, and Sam Cathcart.

With the loss of two of the most promising players, Ed Wiseman and Sam Cunningham, the Olive and Gold varsity basketball team's chance for a high finish in the final league standings looked dim. Coach Jack Trigueiro's quintet was labeled a "rebuilding squad" as four juniors, Chris Clemens, Oliver Wheeler, John Radford, and Don Bregante saw almost as much action as starting seniors Brian Kerkering and Ron Dudley. The Dons were also tabbed as a "second division" team. Santa Barbara fell short of their bid for a C.I.F. berth, which is given to the 1-2 teams in the league, however, and placed fourth in the conference. Losing just one league game and one pre-league contest at home, the Dons were not as successful on the road as they concluded with a 15-9 overall record and a 9-5 conference final. Although the Cagers did not play extremely slow tempo basketball as last year, the Olive and Gold used similar strategy in a few of the their clashes. One such game was against cross-town rival San Marcos in the two teams' second meeting. The Dons beat the Royals 42-30. When tied or in the lead, the varsity would slow the game down by "stalling" just long enough to force the Royals out of their zone defense.

Bob Mora (40) tosses up the basketball to contribute two markers in the 57-49 victory over Simi.

Places Fourth

Attempting a jump shot, guard Don Bregante (20) hits from two feet out against Hueneme. The Dons won 58-44.

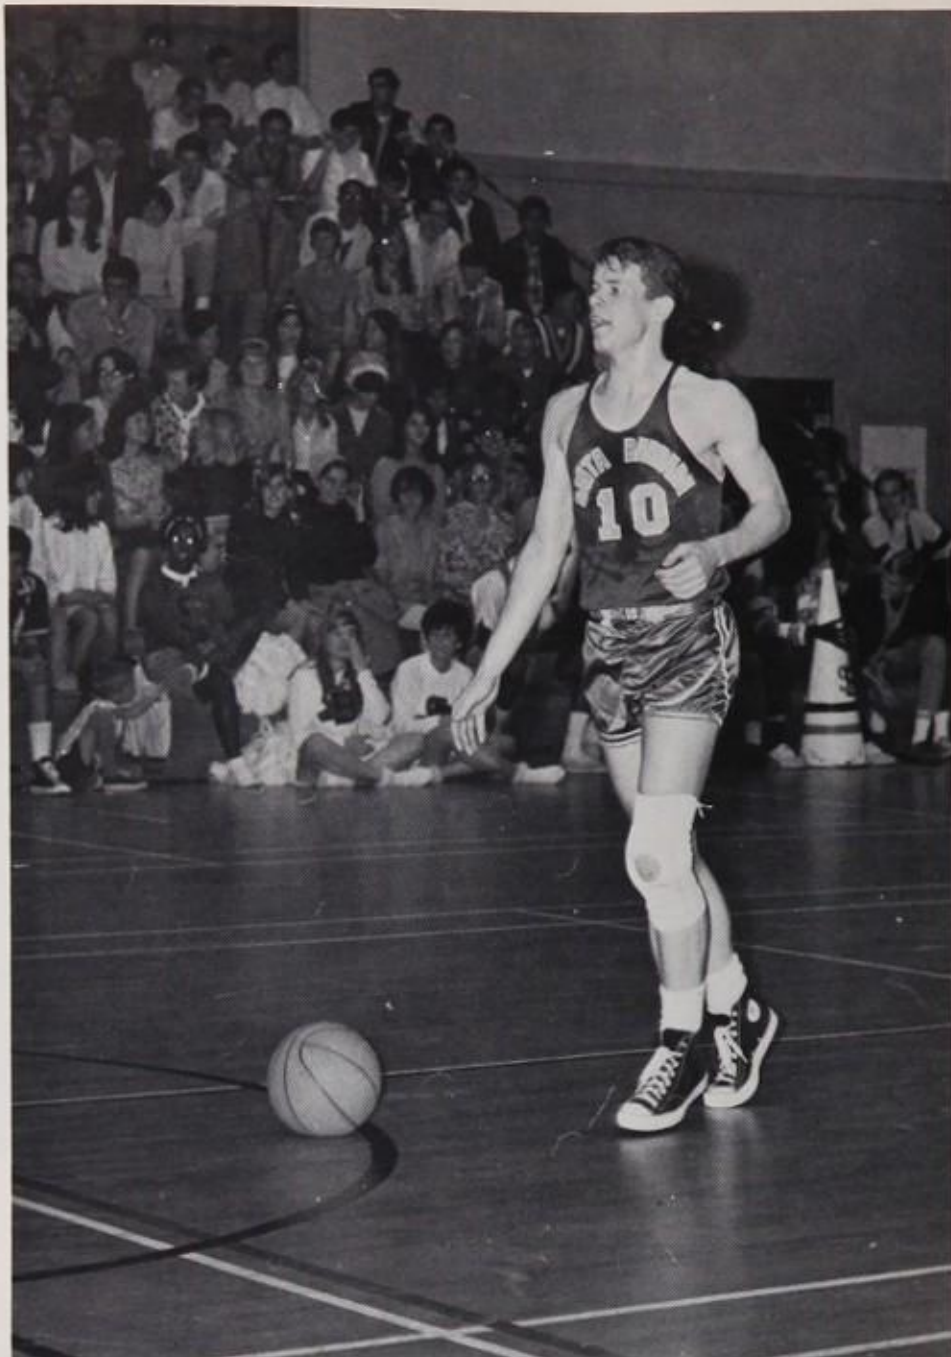

Laying up two points, Brian Kerker shows the form that enabled him to score ten points against Simi. Brian was the only player to hit in double figures.

Cagers Upset

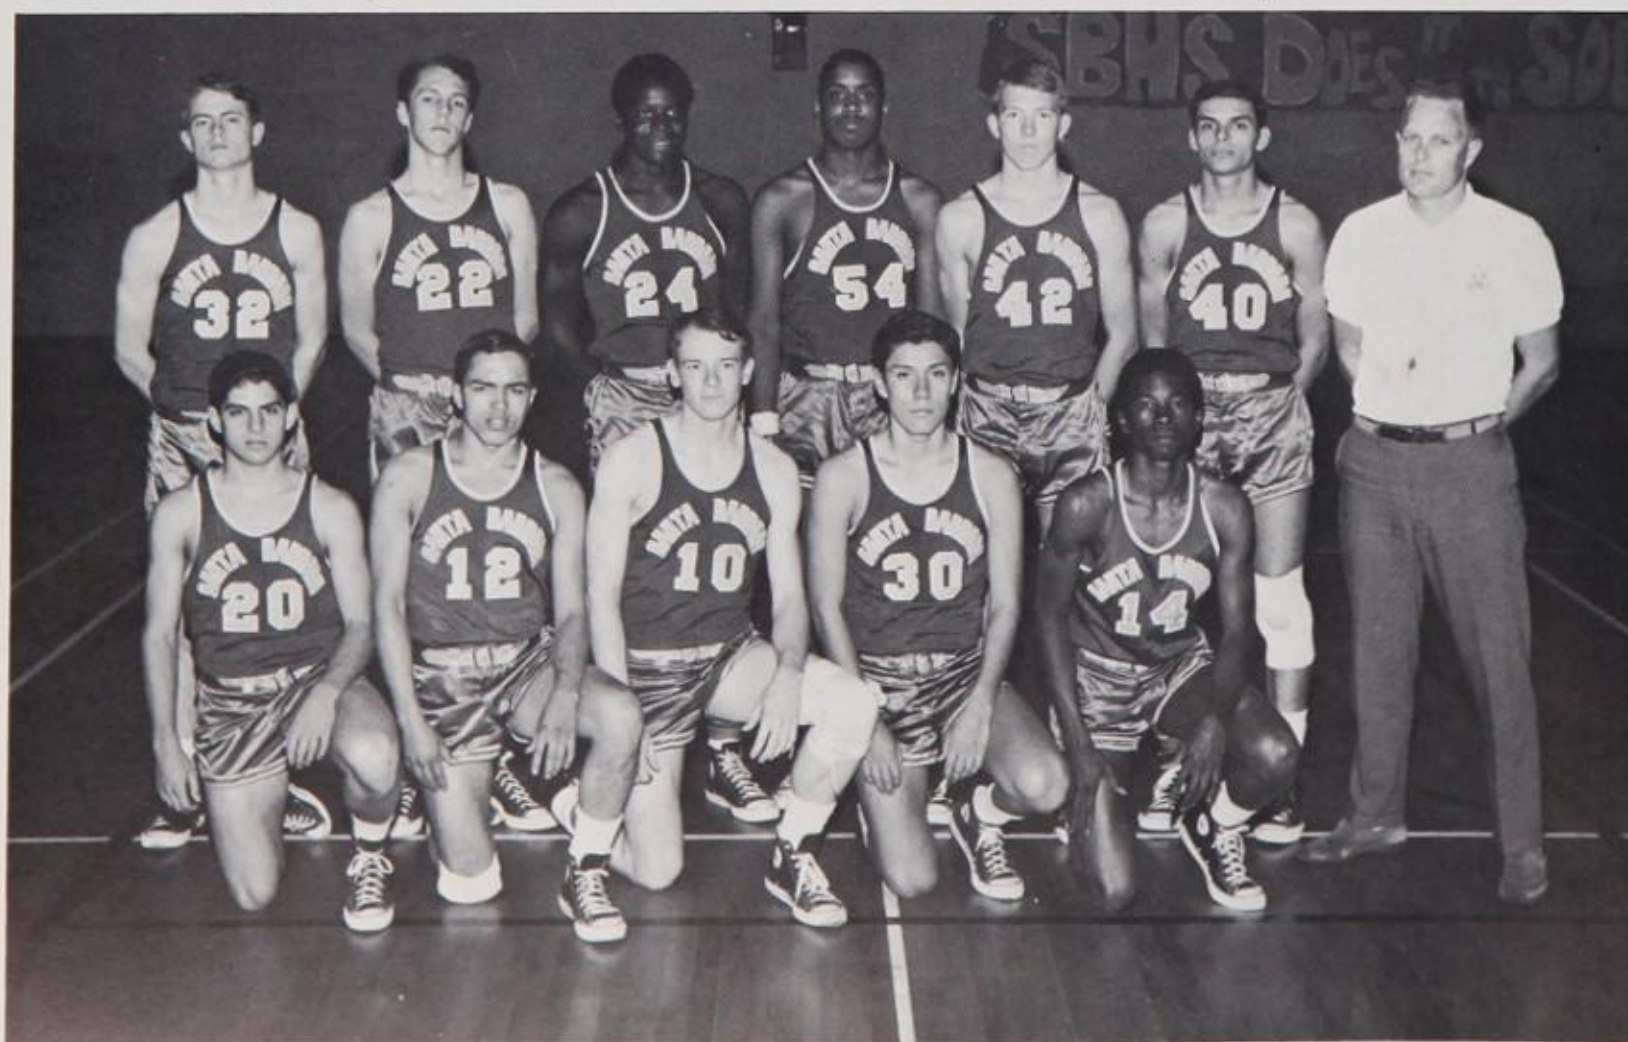

Ventura, 52-42

At the conclusion of the first round, the Don five posted a 4-3 record. SBHS then went on to open 2nd round competition by upsetting Ventura, 52-42, to put the Channel League into a hot race for the C.I.F. berths. Ventura and Buena were tied for first with 6-2 records while the Dons and Oxnard were tied for third with 5-3 marks. The varsity cagers then traveled to Oxnard for their biggest remaining hurdle. Hopes for a Santa Barbara high finish were slim as Oxnard emerged the clash victorious, 58-57, and left the Dons with a 5-4 record and five games remaining. The Olive and Gold went on, however, to whip their next three opponents, Hueneme, Simi, and Camarillo. With Buena and Thousand Oaks left to face, the Dons still had a shot for second place. If both Santa Barbara and Ventura had won their last two games the Cougars would be in first place while the Dons, Buena, and Oxnard would follow in a three way heap for the number two spot. A special playoff would then be arranged to decide who would advance to C.I.F., and almost identical situation which occurred last year when the S.B. Cagers went into the C.I.F. after winning a playoff between Simi, Buena, and Oxnard.

That's the way the ball bounces as Brian Kerkering dribbles downcourt against Hueneme. The Dons were victorious, 58-44.

Members of the 1968 Varsity Basketball team were front row; Don Bregante, Roger Jimenez, Brian Kerkering, Mario Chavez, and Oliver Wheeler. Back row; Bruce Campbell, Chris Clemens, John Radford, Ron Dudley, Steve Jones, Bob Mora, and Coaches Jack Triguero.

In this aerial view of a jump against Simi, Don Bob Mora (40) leaps for the ball. Preparing to share the tip are Brian Kerker, (10), Oliver Wheeler (14), Ron Dudley (54), and Chris Clemens (22).

Netting a 17-footer, Ron Dudley (54) scores two of the six points he pushed through the hoop from the same spot in the third quarter against Buena. Cager John Radford (24) is at the extreme left while Don Bregante (20) is in the background.

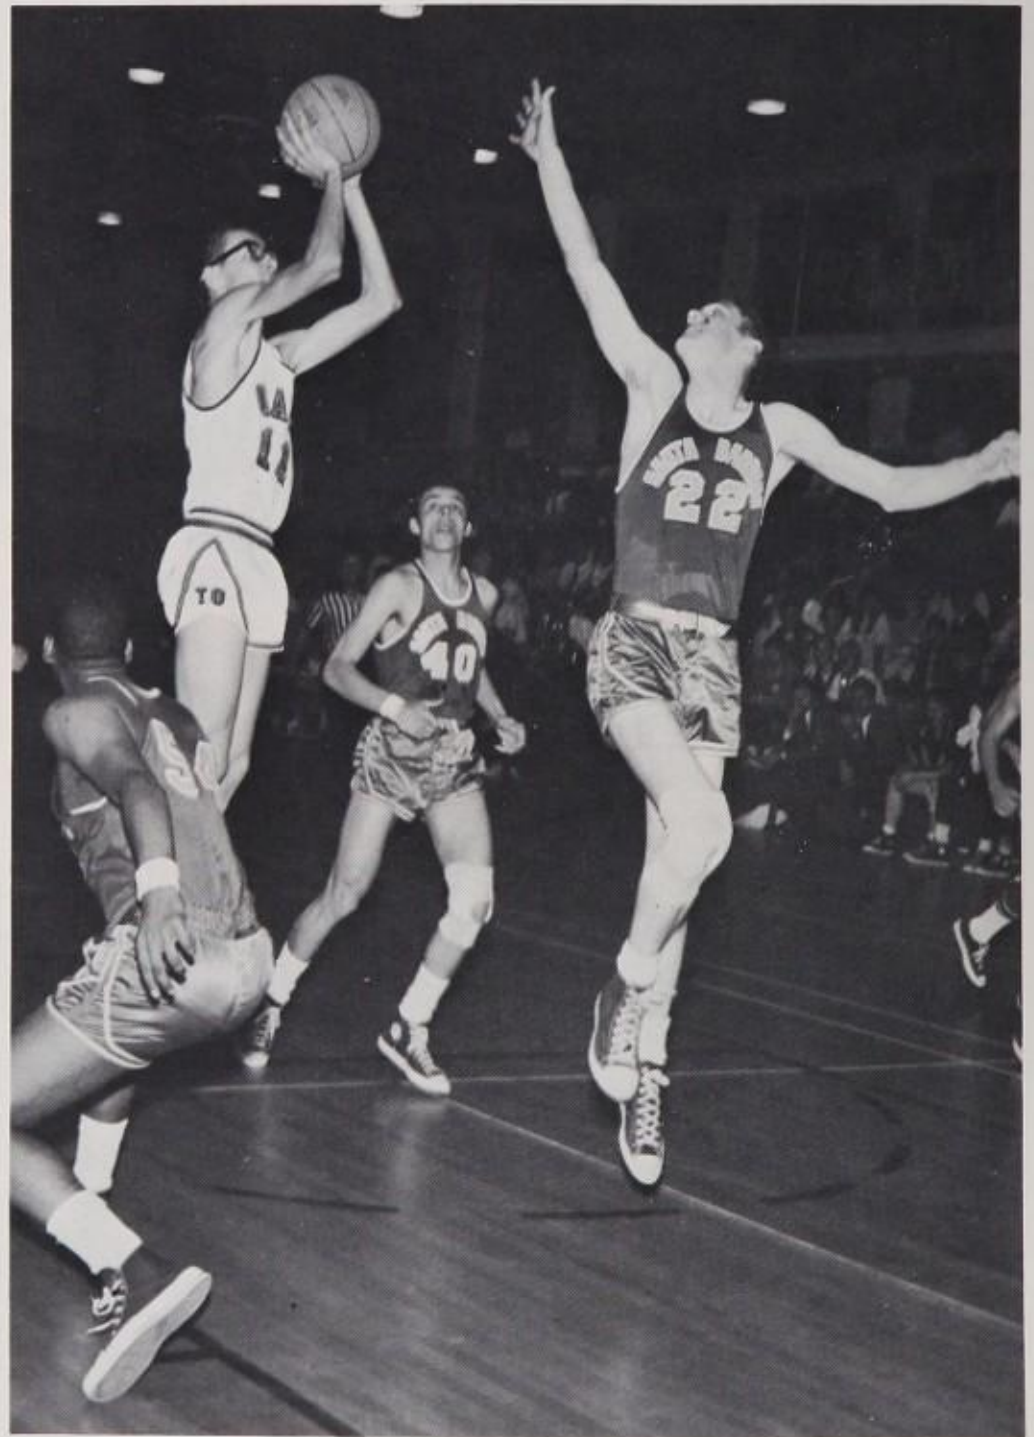

Dons Drop Crucial

Breaking away from a slim one point lead, 43-42, Buena sank six of eight free throw attempts in the final 2:20 minutes of play to mathematically eliminate the Dons' C.I.F. playoff hopes. Santa Barbara lost by a 49-45 final score in this second to the last game of the season. The Olive and Gold did end the year on a high note, however, when they romped Thousand Oaks, 70-50. With 3:40 left in the first quarter, the Dons led 10-8, and never lost the lead while steadily pulling away.

Ron Dudley (54) throws his bid for two points toward the hoop against Hueneme while John Radford (24) screens out the Viking opposition.

Shown in a defensive maneuver, Chris Clemens (22) attempts to "check" an opposing Lancers' shot. Dons Ron Dudley (54) and Bob Mora (40) are also pictured.

After having beaten his man, Brian Kerkering hooks a shot against the Lancers. Santa Barbara won this contest, 70-50.

Stretching out against a taller opponent, Ron Bregante (20) engages in a jump ball. Awaiting the tip are Dons Chris Clemens (22), John Radford (24), and Ron Dudley (54).

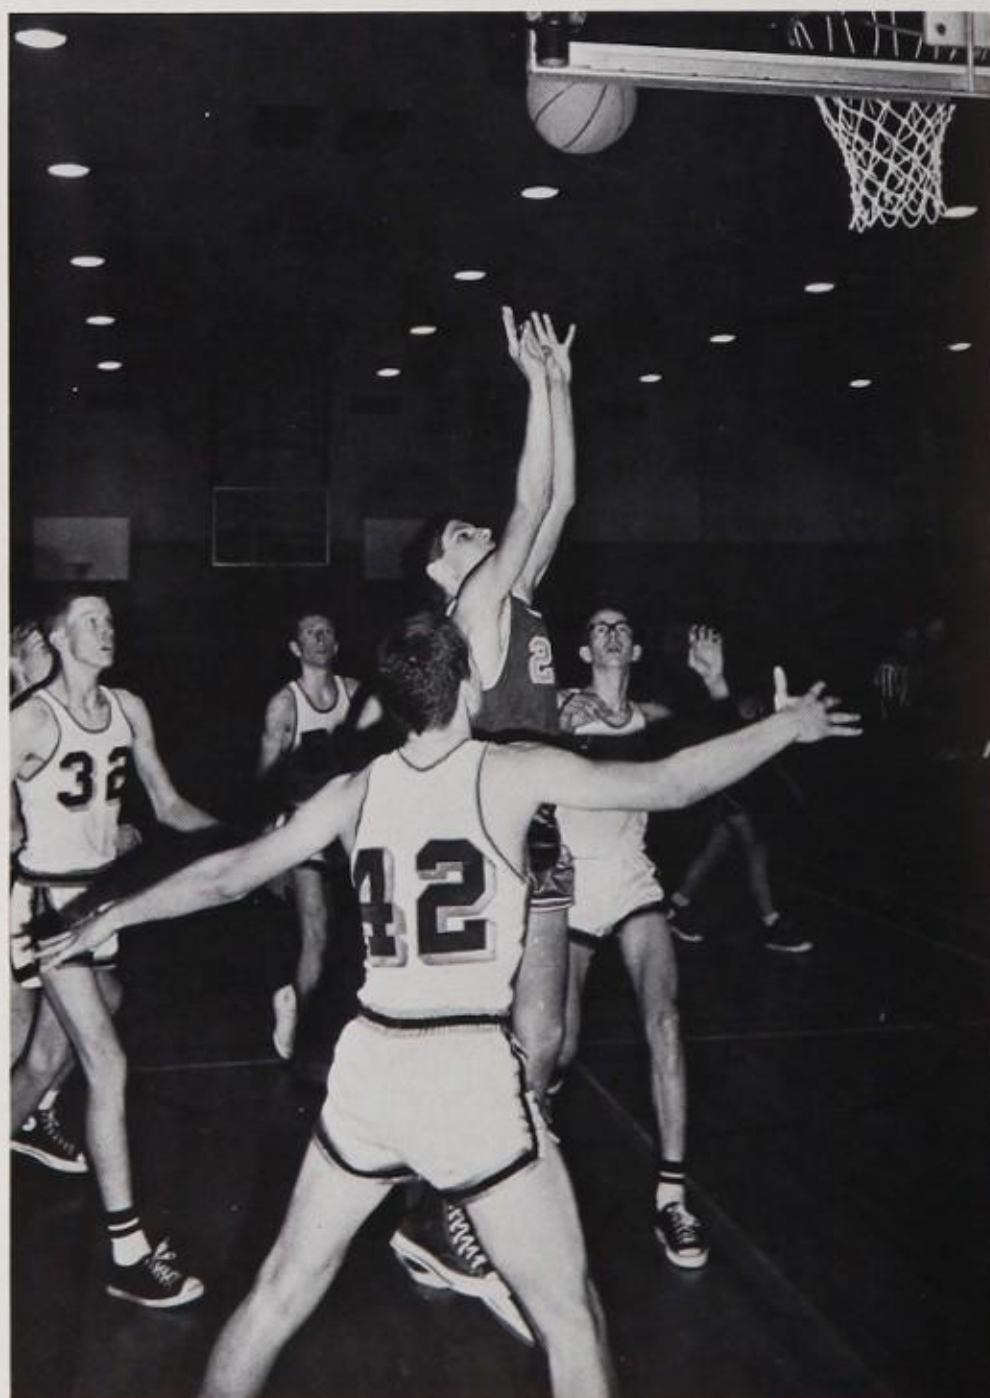

JV's Win 15, Lose Four

Winning 15 and losing four during the season, the SBHS Junior Varsity had a 10-4 league record. Crushing most of their opponents, Coach Dan Heindricks' JV's were led by Booker Brown, Bob Verlann, and Dave Duncan. Coming close in their bid for the title, the Cagers placed in the "first division."

JV Ed Bowman (31) is shown in his bid for two counters against Camarillo as Dave Duncan (32) looks on. The Scorpions edged SBHS 48-47.

Members of the 1968 JV Basketball team were; front row: Ugo Arnoldi, Bob Horbuck, Bill Bailey, Ed Bowman, Bob Verlann, Leroy Thompson, Fred Johnson, Bruce Crist. Back row: Ron Murrell, Mark Wienpahl, Mike Mendoza, Russ Carter, Dave Duncan, Booker Brown, Jim Walborg, Coach Dan Heindricks.

Tossing up two points against Buena, Ron Bregante (21) tallies two of his game total of 11 points. The Bulldogs were the victors, 68-46. Other B's are, at extreme left, Mike Macy and in the right background is team captain Roger Zabdyr.

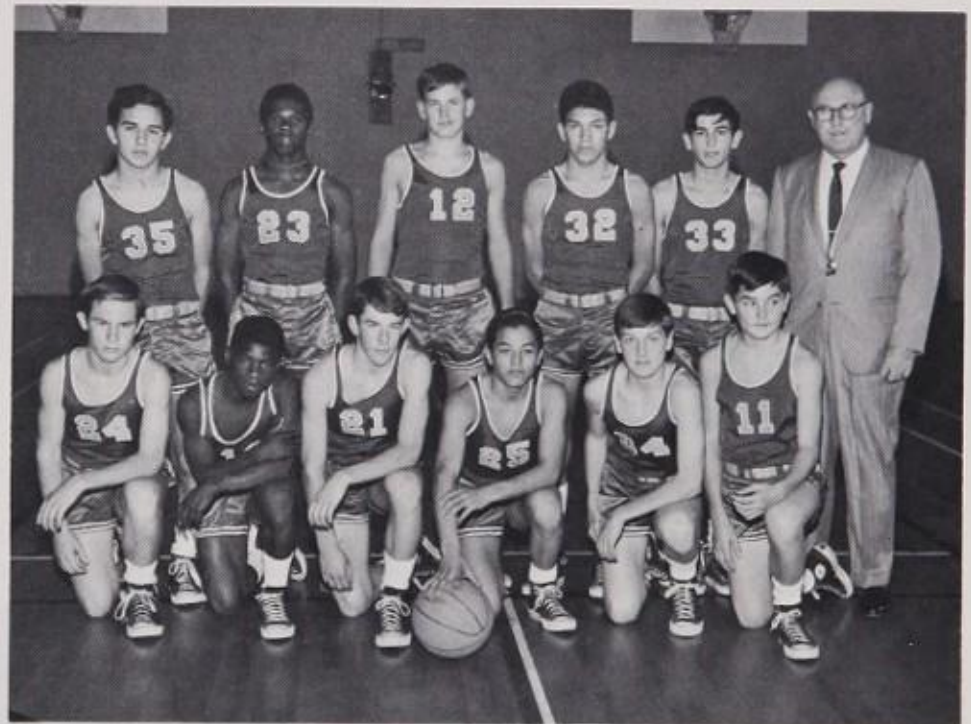

The 1968 B basketball team were; front row; Dan Upton, Roger Zabzdyr, John Agredono, Ron Bregante, Steve Maier, Brad Proffitt, Sam Cathcart. Standing; Ernie Perez, Lee Johnson, John Tanner, Mike Macy, Don Austin, Joe Escobar, Coach Larry Knapp.

B Quintet Break Even in League

Concluding their 1968 year with an 11-8 overall record, the B team broke even in league competition with a 7-7 mark. Under Coach Larry Knapp, outstanding performances came from Ron Bregante, John Tanner, and Mike Macy. Losing a few thrillers, the B's gave stiff resistance to the top teams of the conference.

C Squad Gains Experience

Things did not go to well for Coach Marvin Jones' Santa Barbara High School C team. The C's concluded with a 3-11 record. Gaining valuable experience, the C squad consisted of nine sophomores and two juniors. The C's were spearheaded by Alvin Cooper, Manuel Cortez, and Bobby Love.

The 1968 version of the C basketball team were; front row; Buzzy Lind, Alvin Cooper, Bob Love, Manuel Cortez, Mark Stringer, Dennis Muaroka. Back row; Henry Medina, Waymond Bradley, Fred Frick, Alberto Lopez, Robin Vasquez, Coach Marvin Jones.

Eyeing another championship, Coach Crow's track team won five straight league meets while breaking six school records and tying one at this time. The SBHS cindermen also placed first in both the Buena-Ventura relays and a Santa Maria-Ventura Triangular clash. The Varsity's only mar occurred when the cross-town rival, San Marcos, edged the Dons by two-thirds of a point in the Easter Relays. Besides bettering the Royals in the Buena-Ventura Relays, in which the Royals placed third, the Olive and Gold avenged themselves when they placed first in 13 of the 14 events and demolished San Marcos, 87-31, in a dual Meet. Outstanding season performers included Lionell Lamb, Grady Hurst, Sam Cunningham, Mike Labots-Misbeek, Bill Lowder, Joe Murillio, Chuck Smith, Don Pearson, Bruce and Mark Campbell and Tony Jackson.

Leading all opponents in the Santa Maria-Ventura Triangle meet, C member John Quan sprints over the 120 yard low hurdles.

Topping previously unbeaten and defending champion Thousand Oaks in a thrilling 10-9 comeback, the varsity baseball team took sole possession of the league lead and then continued their quest for a first place finish by downing Buena and Hueneme. After losing a pre-league game to San Marcos 1-0 in their first meeting, the SBHS horsehiders edged the Royals in the second encounter on a Todd Pierce hit in extra innings, 5-4. Roger Williams seemed to be the number one pitching ace on the squad while hitting prospects included Charlie Richmond, Dave Lipke, Mark Mendillo, Dave Nirenberg, Ron Dudley, Tom Hord and Dave Herrick.

Finmen Sport 5-4 Record

Taking off with a quick start, Don Swimmers begin the 100 yard freestyle.

Sporting a 5-4 season record as of April 3, the Santa Barbara Varsity Swim Team was on its way to the conclusion of a fairly successful year. With four varsity, six B, and two C swim team records shattered, the Don Tankmen proved themselves a worthy competitor. The B squad displayed a 5-4 record while the C's were even at 4-4. Jack Underwood, a 100 yard free and back stroke specialist, and sophomore Bob Love, a 100-yard individual medly talent, were valuable assets to the team. Other outstanding finmen were Tom Coulson, Tim Bottoms, and Dave Meek. The addition of other such valuable sophomores as Mark Lury and Larry Crandell provided promise for the future.

In non-league action, Coach Mike Moropoulos' Linksmen defeated San Marcos but were defeated in the return match to post an overall 5-1 record up to April 4. Talent was found in such turfmen as Jim Hopper and Rus Morison. With most of the squad returning next year, probabilities for the future looked bright.

Having a strong season, the 1967-68 Girls' Swim Team posted two first place wins and two seconds in meets. Their first meet, which was held against Dos Pueblos High School, ended with an 85-33 score. At an invitational and at the Beverly Hills Invitational SB HS placed second with a score of 99 points and first with 56 points. The meet at Marymount High School in Los Angeles concluded with 156 points and a second place. The season met its high point when Merrillee Ford broke the national record for the butterfly stroke with a time of 28.9 seconds. Margaret Caldwell was captain and Allison Arnold was co-captain. Activities

So Keep the Faith

Princess: Nancy Alexander

It promised to be a big week-end for Santa Barbara High School students as the 1967 Homecoming activities unfolded. It began Thursday with an assembly at which the nominees for Queen, selected by the football team, were introduced. Friday there was a car parade up State Street, and the traditional game, which the Dons won 48 to 0. The senior boys had elected Gail Grahn as Homecoming Queen, and Saturday night she reigned over the Pigskin Prom which had the theme, "Memories Are Made of This". Altogether, it was one of the most unequalled and successful weekends that SBHS had had for a long time.

Victory Banner Token of Tornado Tradition

P & R Chairman Marilyn Barr heads Pep Club.

Tornado spirit, though ever present, needs igniting. Pep Club, headed by Program and Rally Chairman, Marilyn Barr, sparked Dons as they supported varsity sports throughout the year.

An active club, it raised money through the sale of pep buttons and weekly slogan ribbons. Special meetings were devoted to ripping paper used as confetti at varsity football games. Pep Club operated a card section at games. Partially sponsoring four cheerleaders to summer workshops held on the campuses of California Lutheran College and the University of Redlands was another service performed. Joining the drive to lower the price of bus fares to C.I.F. games, Pep Club donated fifty dollars. This year's advisor was Mr. Rudd Van Dyne. Officers were Marilyn Barr, Mark Howell and Roz Moore.

Crazy Hat Night winners were Ray and Judy Castenada.

Male Octet Performs in Concert

Row 1: Derick Walton, Randy Johnson, Richard Manzano, Ricky Johnson. Row 2: Rod Johnson, Dan Lovelace, Kerry Strauss, Accompanist, David Meek, and Clark Cowen.

"Practice makes perfect", seemed to be the motto of the 1967-68 Male Octet as the choral group practiced and rehearsed at noon to prepare for their performances. The Octet performed for the PTA, as well as in the Spring Ensemble Concert. The group, composed of seniors, juniors and sophomores was

chosen from the other choirs by Mr. William Hatcher at the beginning of the year. Kerry Strauss served as their accompanist. Easily Distinguished by their red blazers, the Male Octet might well become a tradition at SBHS.

Newly Formed Mixed Octet Finds Strong Foundation in SBHS

Enjoying its first year at SBHS, the Mixed Octet consisted of four boys and four girls chosen by Mr. William Hatcher from the Mixed Chorus. All eight, including accompanist David Potter were members of the Sophomore Class. Already a busy new choir, the group sang at a Daughters of the American Revolution meeting, the Masonic Temple and participated in the choral Ensemble Concert.

SBHS Band Performs in Colliseum

The marching band of Santa Barbara High School felt the true thrill of success as they marched out on the field of the Los Angeles Memorial Colliseum. The band performed for every football game throughout the year as well as in parades such as the UCSB Homecoming and the Veteran's Day parade. Among their elaborate routines performed in conjunction with the Donnettes was the "Showboat" with a revolving wheel of Donnettes, and a real smoke stack. The student director of the band this year was Gary Court, and Cliff Landes led them onto the field as their drum major. Mr. Terrance Boyes led the band and taught them their many routines that added a special touch to every game.

Wearing their spirited Spanish serapes, the Pep Band participated at all home basketball games and pep rallies. Members were chosen by Mr. Terrance Boyes from the Santa Barbara High School Marching Band. Always active and willing to aid the cheerleaders, the Pep Band provided music for dance routines, drum beats, for "soul" yells and charges. Besides the standard "Fight Song" they had musical arrangements to "The Stripper", "Georgy Girl" and favorites such as "Tequila" and "Tijuana Taxi." These are just to name a few.

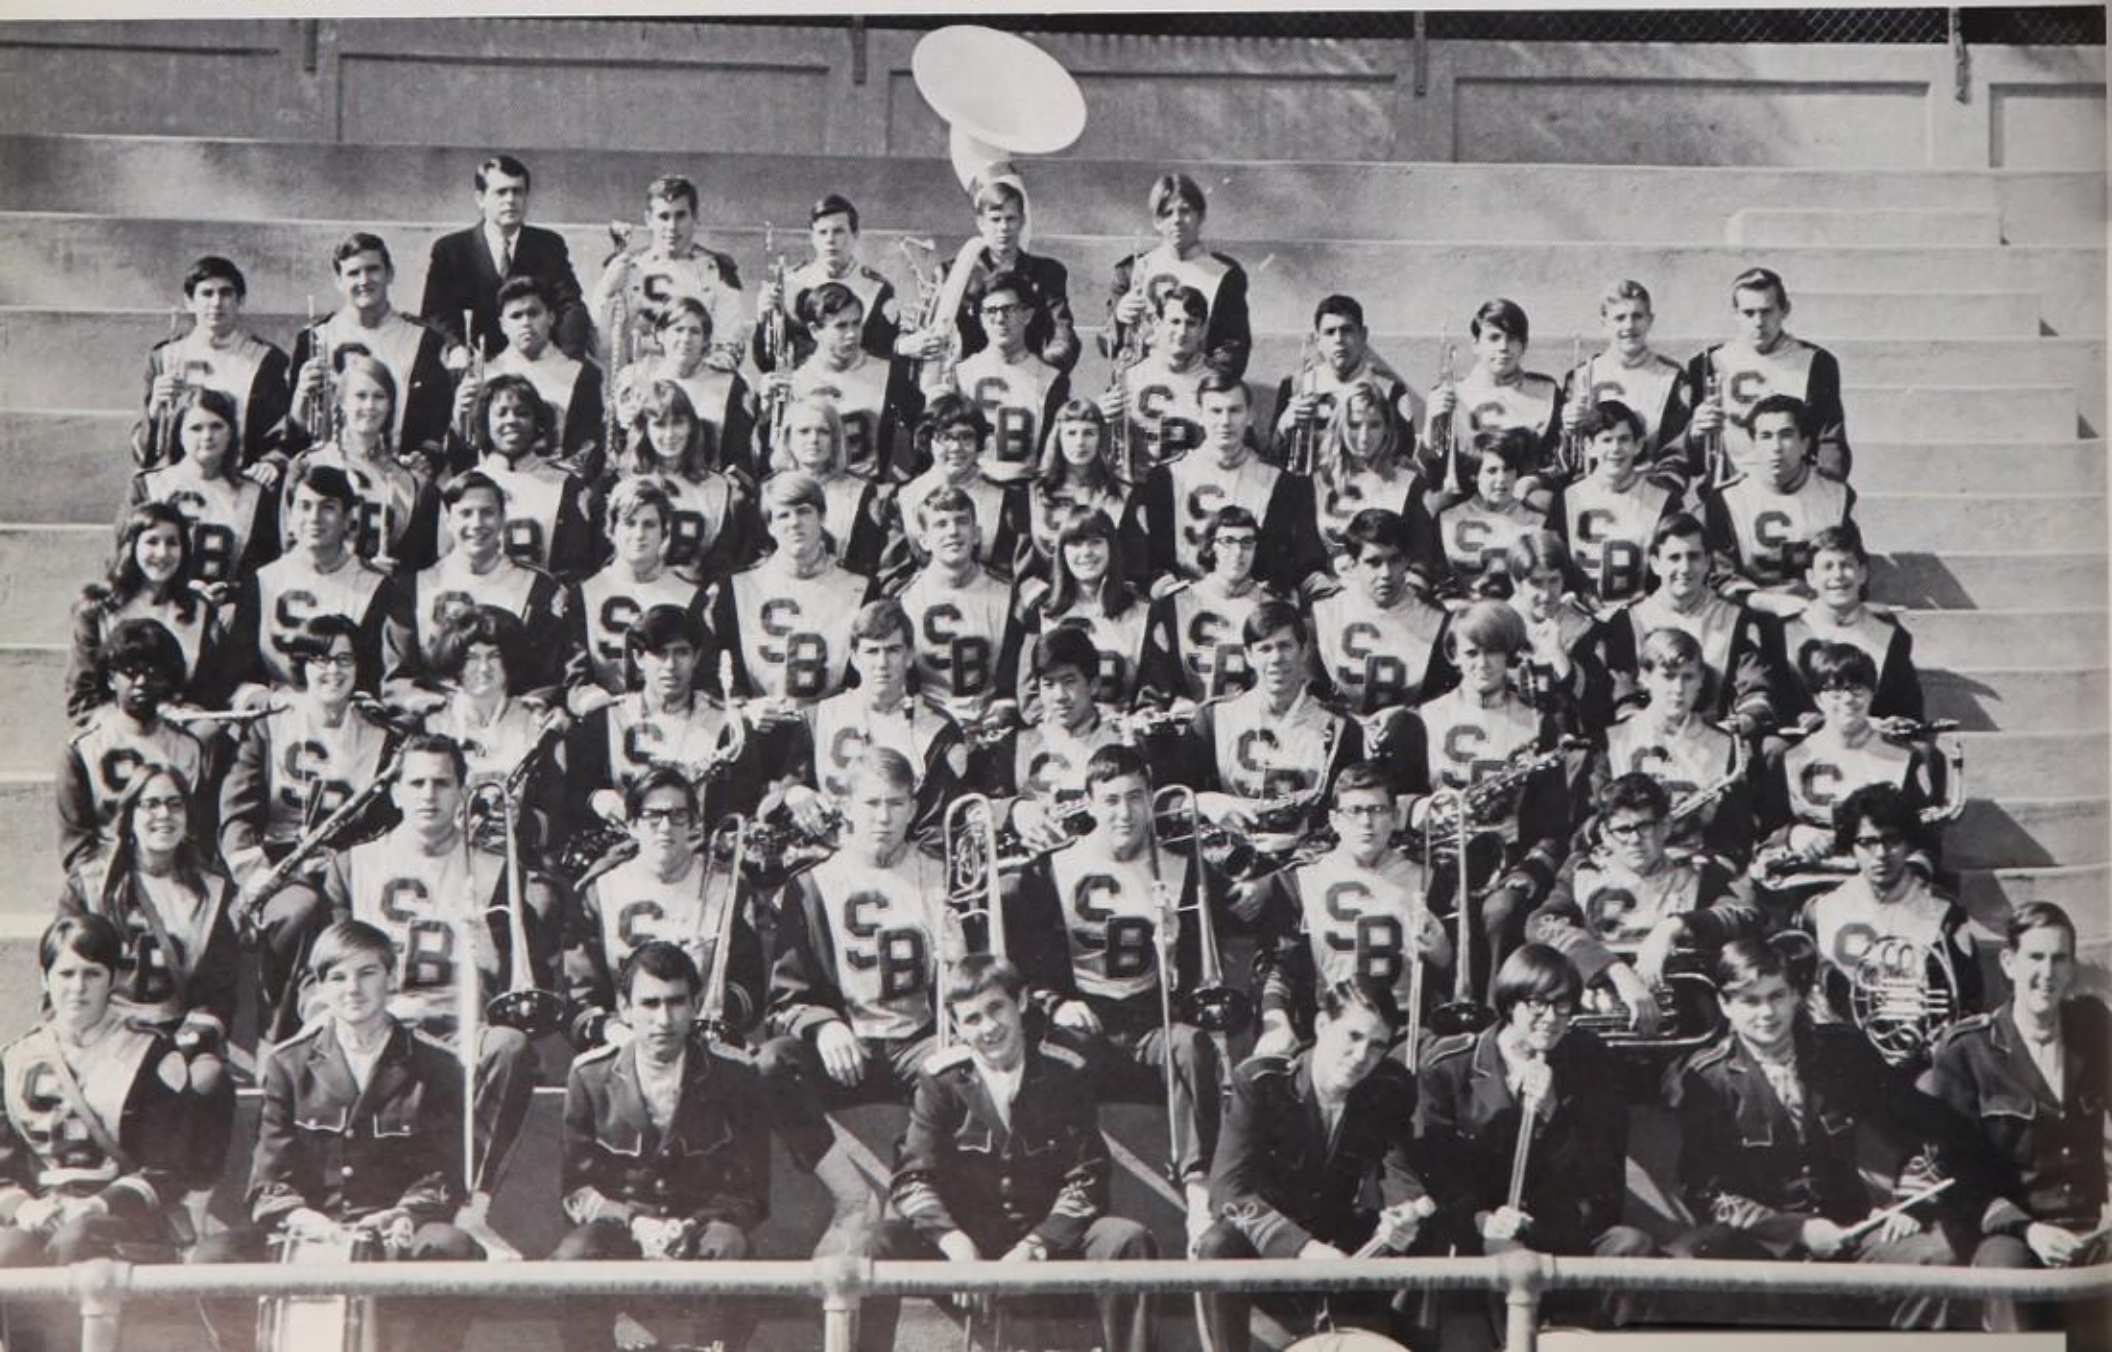

Realizing that music contributes much to games, half-times and routines, Mr. Boyes and the Pep Band, unlike the majority of Channel League schools, catered to the student body, presenting arrangements entertaining to the students of Santa Barbara High School. The Pep Band rallied spirit of SBHS as they exemplified the "soul" already established by the students.

Donnettes Give Color to Half- time Ceremonies

Wearing their green and gold serapes, Donnettes retained the Spanish heritage of SBHS during the 1967 football season. Combined with the Marching Band they worked as a closely knit unit preparing and performing routines. Through hard practice, day and frequent night rehearsals, Donnettes acquired perfection and originality. They performed during halftime at all home games. They aided the cheerleaders by dancing to "soul" yells. Especially memorable to the Donnettes was entertaining in the Colliseum.

Orchestra Has Season of Variety

Ray Tisher practices to develop a first-rate technique.

Lisa Lindberg concentrates to improve her style.

Variety was the key note for the 1967-68 Orchestra as they performed in school functions and displayed their talents at community activities. The orchestra was also distinguished and honored to have twelve of its members chosen for the All-California High School Symphony, a record which was quite unusual for any high school. The orchestra was particularly challenged when they played Bloch's Jewish Sacred Service with the Santa Barbara Choral Society for an Easter Service. At school, the orchestra played for the Christmas Show, the O & G Jubilee, Brigadoon, and in February, they gave the annual Orchestra Concert. The active orchestra wrapped-up their year as they played the commencement song for the seniors.

Stage Band is Featured in Ex- change Assembly

An accomplished section of the SBHS musical groups, the Stage Band performed at many school sponsored concerts and assemblies. They were among the highlights of the O&G Jubilee. An exchange assembly between SBHS and San Marcos High School introduced talented performers appealing to various interests. The Stage Band entertained during the SMHS assembly. Combined with the Concert Band they played in March and in June during a pops concert.

Continuing its tradition of performing both "quantity and quality" the A'Cappella, directed for the eighth year by Mr. William Hatcher, sang music ranging from serious to spirituals. Consisting of mostly juniors and seniors, the A'Cappella was presided over by Al Riemenshneider, president and Beccy Cole, manager. The choir's performances included a YMCA banquet at Santa Barbara City College, a Rotary Club luncheon, and a concert at the Lion's Club. They received superior ratings at the All-City Choral Festival at La Cumbre Junior High Schools, and a competitive were at the Baccalaureate and at Santa Barbara and La Cumbre Junior High Schools, and a competitive performance in Los Angeles. Members of both the A'Cappella and Mixed Chorus combined to present the Annual Christmas Program featuring selections from both groups as well as their combined efforts with the orchestra and dance class in "The Feast of Christmas". The Mixed Chorus, consisting mostly of sopho-

mores, was directed by Mr. Hatcher. Officers were: presidents, Bob Miller and Don Canley and manager, Gary Goddard. Aside from the concerts and performances, the choirs went on a safari to Los Angeles.

Newspaper Progresses Yet

1967-68 FORGE editor, Sandy Harrod.

With the completion of its fifty-third year, Santa Barbara High's weekly newspaper, the FORGE, contained many new additions and added attractions in its publications. Among these were two pages added to several of their issues bringing the FORGE up to six pages in size. A column of letters to the editor was also featured as an added chance for student participation in the paper's publication. Along with these new policies, the FORGE also maintained its traditional columns such as Don Cat, the weekly editorials by the editor, Sandy Harrod, and a complete page of sports. Sharing responsibility with Sandy for the printing of the paper were: Mrs. Dorothy Brubeck, advisor; Becky Cole, Page One editor; Cheryl Williams, Page Two editor; Marla Lohneiss, Page Three editor; Barbara Evans, Photo editor; and Mary Zurbuchen, Managing editor. Through the work of these and the other members of the staff, the rush on room 28 was greater than ever this year as, every Friday, students crowded in to get their FORGE.

FORGE editors were: Row 1, Mary Zurbuchen, Managing editor; Becky Cole, Page One; Roger Williams and Tim Novoselski, Co-Sports. Row 2, Marla Lohneiss,

The road of diligent work was one well traveled by the 1967-1968 Olive and Gold yearbook staff. The yearbook advisor, Mr. Ralph Nybakken, and Tim Hall, yearbook editor, headed the staff in working with preliminary layouts, picture cropping, final layouts, deadlines, and in overcoming our greatest challenges, such as the cover and the theme. The section editors were: Sandy Watkins, Academics; Janet Ousey, Activities; Mary Clyde, Leadership; Marilyn Barr, Photo; and Tim Novoselski, Sports. The time ran out too quickly and the road ran on much too fast for the 1967-1968 Olive and Gold staff.

Scroll Exhibits New Freedom in Prose

Literature of all kinds was featured in the 1967-68 Scroll. The staff edited materials contributed to the Scroll and wrote prose and poetry for consideration. English classes were encouraged to write pieces for the Scroll, however, many students took this opportunity to express their thought and ideas in literary pieces. The Scroll was as original in cover as it was in composition. Both of these remained a challenge to SBHS students. Mr. Ralph Nybakken and editor Margie Wilson advised and encouraged members as they completed the Scroll. Diversity in all forms of literature was the result.

Skiing gained new recognition at SBHS with the formation of the Ski Club. Patterned after their San Marcos counterpart their primary activity was skiing trips. Planned for Easter was a journey to Mammoth or Lake Tahoe. San Marcos Ski Club members planned to accompany the SBHS group. Founded by senior boys Tim McMahon and Kirk Howell each held an office in this specialized club. Members hoped to receive lower skiing rates.

Officers were Kirk Howell, Tim McMahon, Al Reimshneider and Josie Lindt.

Modern Miss Joins Drive to Buy Print Shop New Copy Camera

To promote courtesy of speech and manners, simplicity, loyalty and lady-like manner, and to uphold the good name of SBHS were some of the goals of this year's Modern Misses.

This has been a busy year for the Modern Miss Club as it has rendered many community and school services. Experts in the fields of fashion and dermatology were invited as guest speakers. Modern Miss sponsored the annual spring fashion show, trimmed

the SBHS halls in the Christmas mood and continued to honor a Modern Miss of the Month. Joining the inter-club drive to buy the print shop a new copy camera, this active club raised money through the sale of Don decals and several bake sales. Among special activities planned for members were a barbeque with Key Club and Varsity Letterman's Club and a judo demonstration.

Creativity Motto Of SBHS Art Club

"Would you believe that it's a bear?"

This year the Art Club, advised by Miss Straight, performed community services as well as promoted creative interest and art appreciation in the school. Among their projects was an Art Bazaar in the spring, and Christmas pinatas for Lincoln School. The club also helped with the Art Exhibition at Faulkner Gallery in the spring and with the annual art show in June by SBHS's Art Department. Heading the club were: Helen Lyons, President; Susie Dickson, Vice-President; Lorraine Taylor, Secretary; and Jan Cater, Treasurer.

Happiness is a project of your own.

Ornamental Horticulture Studies Plants

Organized to foster an interest in landscaping, floral arrangements and the culture of ornamental plants, Ornamental Horticulture proved to be an asset to SBHS. The majority of the members were already students in ornamental horticulture classes; however, others joined who were interested in plant growth and development. The 1967-68 members were: Row 1: Advisor, Mr. Dudley Summerford, Richard Torres, Manual Munoz. Row 2: Eltjo Meijer, David Camarillo, Sam Cunningham, Pat Murphey, and Charles Dolen.

This year the American Field Service Club (AFS) was very busy, working on their own and in conjunction with other schools in the Santa Barbara area. The goal of AFS was greater international understanding through a student exchange program with the U.S. and other nations of the world. This year's club participated in several AFS workshops where they exchanged ideas with other clubs, helped sponsor along with other schools, an AFS weekend in Santa Barbara, and collected for UNICEF on Halloween. For fund-raising, the club held a "Knobby Knees" contest between several men teachers, and planned an international potluck dinner. Mr. Higbee and Mr. Ordaz, advisors, supervised these and many other activities throughout the year as AFS strove to promote school-wide interest in the club, and in the exchange students in Santa Barbara.

AFS'er Arrives From Greenland

On August 13, 1967, Jeanne Holten-Moller arrived in Santa Barbara to attend SBHS as the AFS student for the year. Jeanne stayed with the Kiehlbauch family and attended SBHS as a senior with her "sister" Karen. Jeanne came from Gothaab, the capital of Greenland which has a population of 4,000 and one high school which had a senior class of 48 in Jeanne's senior year. Greenland, according to Jeanne, was named Greenland to encourage people to come there, not because it is green, and it's highest temperature ever was 60°. Despite all the changes and extreme differences between the U.S. and Greenland, Jeanne has grown to love the U.S. as her second home, and her hosts here as her second family. "I'm ready to come back after my two years of college in Denmark, so I'll see you then."

AFS student Jeanne enjoys warm sun of California.

A special contract with Actor's Equity, which provided that a professional cast work with local performers, was a national first.

Key Club Demonstrates Leadership Key

Through Years Service to SBHS

Under the leadership of Ron Glass and the guidance of Mr. Ken Larson and Mr. Jack Orr, the Key Club achieved many worthy goals this year. During football season, Key Club traditionally sold programs at all home games. The profits from this project were used to complete many of its functions. Small services unknown to many were also undertaken by Key Club. These jobs included collecting for Council of Christmas cheer, cleaning test boards, ushering at basketball games, and painting refreshment concessions in Peabody Stadium. Officers for the year were: Ron Glass, President; Al Winn, Vice-President; Dick Boslough, Secretary; Greg Rose, Treasurer; and Rick Glass, Sgt. at Arms.

GAA Promotes Sportsmanship and Enjoyment Through Competition

The purpose of the Girl's Athletic Association is to promote an enjoyment in all girls' sports, to uphold the ideals of good sportsmanship, and to stimulate competition in all individual and group activities. Among this year's activities were selling Don sweatshirts, holding a refreshment concession at all home basketball games, giving away a Christmas Dinner to a needy family, and sponsoring several swim meets. The officers of the 1967-1968 club were: Betsy Nevitt, President; Alma Tabacchi, first Vice-President; Jenni Schachtilli, second Vice-President; Crystal Lewis, Secretary; Kim Fisher, Treasurer; Terri McLaughlin, Historian. Managers were: Janet Dunham, Basketball; Roxanne Cox, Volleyball; Nadine Gilbert, Baseball; and Carol Brewer, Swim Team.

Smiling Usherettes Guide Way to School Functions

At all of the Santa Barbara High School's theatrical, educational, and sport functions, well-mannered and capable Usherettes were always present to offer their assistance. Advisors assisting with this year's officers in a successful season were Miss Greta Lindquist and Miss Margaret Lowe.

Among the many busy Usherettes of 1967-68 were: Kathy Baughman, President; Alice Mendenall, Vice-President; Ashley Crandell, Secretary; Anita Wells, Treasurer; and Connie Jensen, Sgt.-at-Arms. Usherettes proved to be a busy club, providing service for SBHS.

JSA Attends State Conventions

These Junior Statesmen of America officers helped plan many service and fund-raising projects.

JSA is democracy in practice. Debating and understanding the principles on which the USA is built is the prime purpose of this club. Service and fund-raising projects accounted for much of this year's activities. Members attended conventions in Monterey and at SBCC. Projects included a car wash, painting the posts in the Senior Parking Lot, an entry in the Homecoming Parade which won second place. JSA operated a book store. The club meets two nights a week and the executive board confers four times a month. Various activities resulted.

The Class of 1968; Built on Tradition

Although the class of 1968 is beginning a new and exciting phase of life, its members will always reflect upon Santa Barbara High with fond memories of their many accomplishments during the past three years at SBHS.

As sophomores, the class attended the sophomore orientation and the annual showing of "Marie Antoinette." The students were adjusting to the new "high school life."

During their second year at SBHS, these proud Dons were not only active in scholastic achievements, but also very spirited. After rooting our football team to CIF, the class ended their second year by decorating the stadium for the graduation of the preceding class.

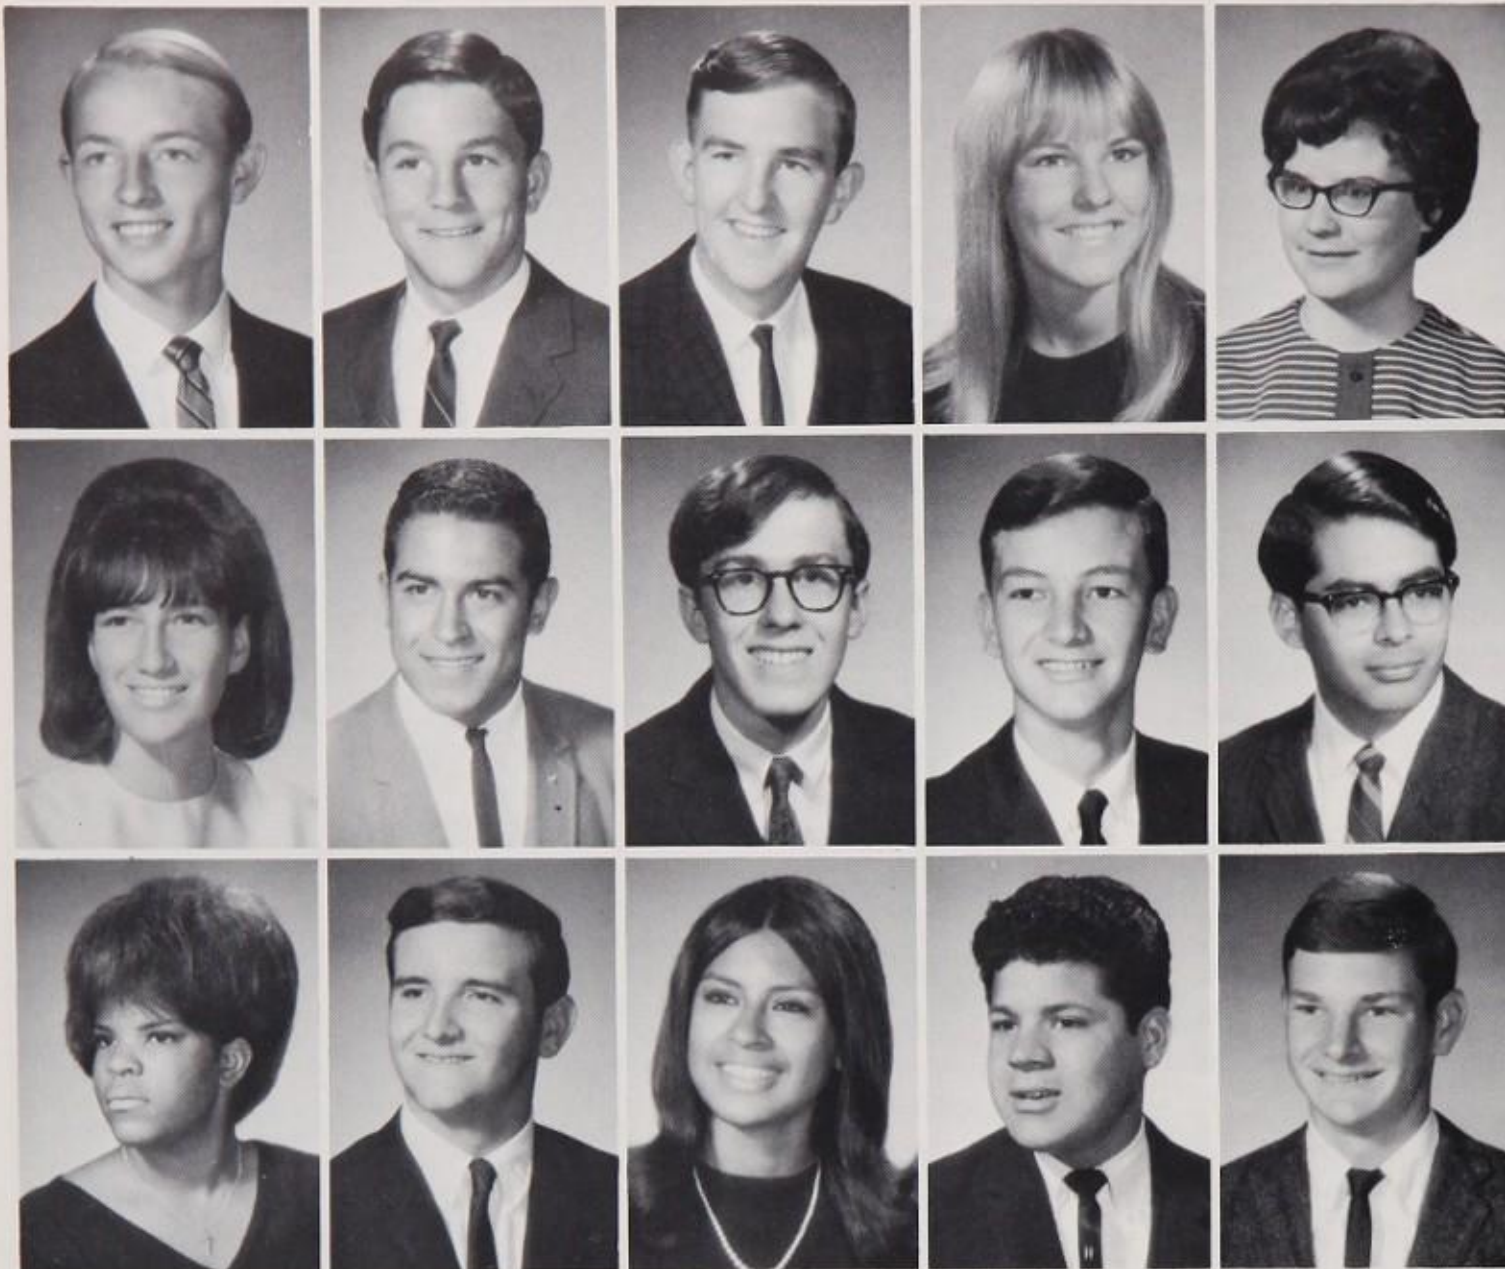

Aiding and advising almost 800 students in their class schedules, school problems and future plans from the moment they entered SBHS as sophomores were Miss Wright and Mr. Hager.

"Soul" and "Faith" were synonymous with the class of 1968. Stealing San Marcos' Victory Bell, the class of '68 may well have originated a new tradition between the rival schools. Both football and basketball teams regained the city championship trophies. The SBHS football team retained its almost traditional first place standing in Channel League, thus making it eligible for CIF competition.

The class of 1968 can also be described as ambitious, selling over \$9,500 worth of magazines to finance their senior week. Its members also continued the traditions of decorating the Arden cow, eating breakfast at Sambo's, and dressing up on Senior Day.

After 12 years of learning, the class of '68, built on tradition, concluded its high school years with creativity, industriousness and spirit.

Because of her constant interest in Santa Barbara High School, Marilyn Barr was voted "Outstanding Senior Girl" by the senior class.

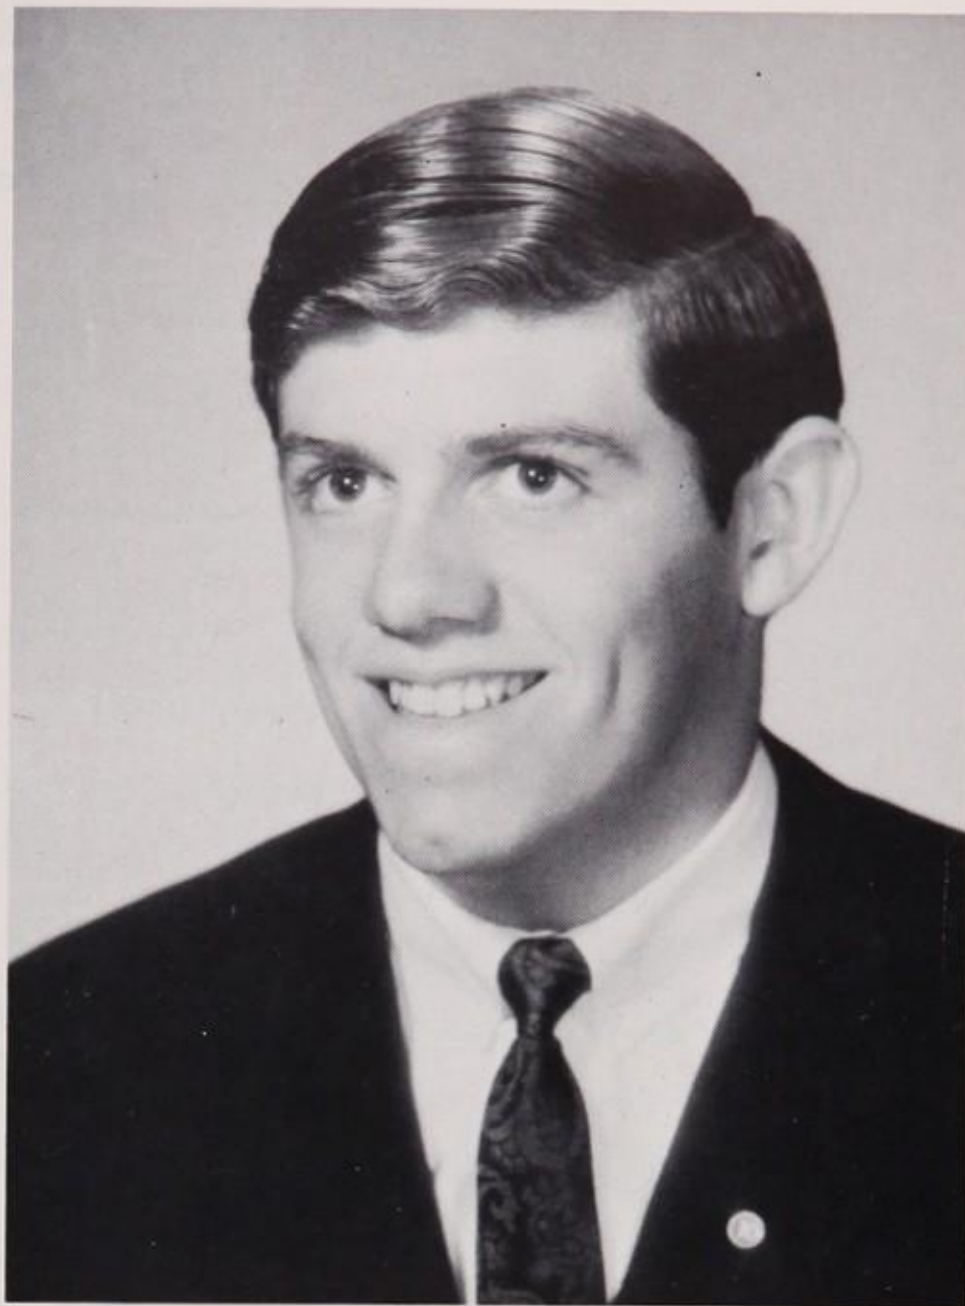

As a sophomore, Marilyn joined Modern Miss, Mixed Chorus and Pep Club, adding Student Legislature, Social Committee, Activities Committee and A Capella to her schedule as a junior. She was also chosen "Most Spirited Junior".

In her final year at SBHS, Marilyn continued her previous activities as well as being in the Spring Show, *Brigadoon*, photo editor of the "Olive and Gold", Assembly Committee, P & R Chairman and Activities Committee Chairman.

Seniors

Kim Westfall was chosen as Outstanding Senior Boy by the Senior Class because of his high interest in Santa Barbara High School. In the tenth grade, Kim played sophomore football and as a junior was promoted to the position of extra point kicker and continued to hold that position as a senior. Kim was elected student body Vice-President, taking on the responsibility of heading all student legislature meetings. He was a member of such service organizations as Key Club and Varsity Lettermans. Out of school, Kim spent many hours playing the drums for a local band, the Duquanes.

Once

Dear Nora,

I could never begin to say all that I can begin to say is thank you so very much, for everything you have done for me. I know I have asked a lot but as a true! friend you have done everything you could to help me. Thank you again ever so much.

I hope next year proves to be successful for everything you may do. Because you deserve to receive only the best that life can offer you. Don't rush to things as I have done. For if they are meant to be. When it will come to you.

I also will hope and pray each and every night. That you and Gene will always stay together, Cause as I have said before and always will. You both are truly to wonderful people. And deserve to have only happiness. You "Nora" are truly the closest and also the truest friend I've ever known. And Gene he's a great guy. And he! loves you and always will. It shows in his ways, the way he talks the way he acts. He expresses his love in everything he does. So don't ever do anything to harm what you've got.

Also you know how much I love Danny and you have been so understanding & really so helpful. Nora You've helped me through my

happiness, through sorrow, and also through my depressed and every mood that has even been felt by me.

"Nora" I will never forget you & "Gene" I love you both just as if you were my own happiness. I want only the best for the both of you. Really he makes me feel so good when he's around & I love him Danny that is. But I see happiness for myself some day I only hope it can be with him. Cause I really do love him. And I need him so very much.

Be good and by all means don't do anything that you know I wouldn't. I shall remember every little thing you have helped me through. I hope we will be friends for life and longer.

Nora, all I can say is thank you ever so much. You truly a "fine" & "sweet" & Wind girl. I'll see you this summer okay. Be good to Gene. And I know hell be good to you.

Tell Sergio I'm going to bother him someday.

Well bye now,
Nora until summer. "May God Bless You"
Gene

The image is a high-contrast, black and white photograph. The left side of the image is dominated by a dark, heavily textured surface that appears to be a book cover or a wall with a rough, possibly woven or stone-like texture. This dark area transitions into a bright, vertical band of light on the right side, which seems to be a reflection or a light source. The overall effect is one of stark contrast and texture.

Santa Barbara High School has been, for many, a place of learning and experience. For others, it has been a place of fun and excitement. To some, it has been a place of satisfaction and fulfillment, to others, a place of frustration and uneasiness. But to all of its students, SBHS has been a place of change, both within themselves and in the world. It has watched as students ran, laughed, cried and stumbled through its halls, and it has looked on and waited as they gradually transformed themselves into something entirely different from the base material which it and its various parts started working on in a September of long ago.

SBHS has also stood by and accepted a world that has been filling with violence and unrest, that has been spiraling upward in a long anguished scream confusing and angering its members and bubbling outward in a greasy yellow stench of hate and fear. It has watched finished students that have seemed promising leave to take their part, and still things have gotten no better. Hopefully, the generation about to begin will be different.

"A Mans Joy"

a mans joy comes only once if he's a good man, the joy is sweet and kind. It makes the man's world complete for without this joy a man is not a full man. Physically maybe yes But surely not mentally. They often say their life is the best, full of joy, but they haven't experienced the true joy. The joy which God meant for all men and women. a man's joy is having a wife a woman a life long companion. This is my joy for I have you "Honey" and you my whole life. If you will have me I'll take good care of you always and always for I love you and always will love always & always
